

STORY OF OUR LIFE – Montreat Omega 2015
Lindsley/Chapman
(capo 2nd fret)

CHORUS

D **G**
This is the story of our life, story of our life so far

Writing page after page, trying to find out who we are.

VERSE 1

Em **G** **D** **A**
With the stroke of your pen, with a breath, it all began

Em **G** **D**
With a word you changed the narrative from darkness to the light.

Em **G** **D** **A**
Every book it's own index, every heart a second chance

Bm **A** **G**
My story, your story, our stories live together as one

CHORUS

VERSE 2

*And the joy of good news - you know more than we ever knew
In your light our fears and failures turn to something beautiful
As the chapters unfold
Our journey with you only grows
My story, your story, our stories live together as one*

LONG CHORUS

D **G**
This is the story of our life, story of our life so far

D **G**
Writing page after page, trying to find out who we are.

This is the story of our life, mine and yours and everyone

D **Bm** **A** **G**
Bound together by God's love, that's how we know whose we are

BRIDGE

Am G/B C G
It's all we ever hoped could happen

Am G/B C D
If we just let light shine

Am G/B C G Bm
Shine in to a bright and new tomorrow

And a lifetime

That's how we know whose we are
