SONG: Elvis Costello's cover "Little Boxes"

Little boxes on the hillside,
Little boxes made of ticky-tacky,
Little boxes, little boxes,
Little boxes, just the same.
There's a green one and a pink one
And a blue one and a yellow one
And they're all made out of ticky-tacky
And they all look just the same.

And the people in the houses
All ran to the university,
And they were put in boxes,
And they came out all the same
There's a doctor and a lawyer
And a business executive,
And they're all made out of ticky-tacky
And they all look just the same.

SONG: "Stand in the Light" by Jordan Smith

Stand in the light and be seen as we are

Didn't I tell you I hear what you say

Never look back as you're walking away
Carry the music the memories and keep them inside
You laugh everyday
Don't stop those tears from falling down

This is who I am inside
This is who I am I'm not gonna hide
Cause the greatest risk we'll ever take is by far
To stand in the light and be seen as we are
So stand in the light and be seen as we are

With courage and kindness hold on to your faith
You get what you give and it's never to late
To reach for the branch and climb up leaving sadness behind
You fight hard for love
We can never give enough

This is who I am inside
This is who I am I'm not gonna hide
Cause the greatest risk we'll ever take is by far
To stand in the light and be seen as we are
So stand in the light and be seen as we are

Riding the storms that come raging toward us we dive
Holding our breathe as we break through the surface
With arms open wide, with arms open wide

This is who I am inside
This is who I am I'm not gonna hide
Cause the greatest risk we'll ever take is by far
To stand in the light and be seen as we are
So stand in the light and be seen as we are

Cause the greatest risk we'll ever take is by far
To stand in the light and be seen as we are
So stand in the light and be seen as we are

So stand in the light and be seen as we are

Benediction:

by Benedictine Sister Ruth Fox

May God bless us with discomfort

At easy answers, half-truths, and superficial relationships

So that we may live from deep within our hearts.

May God bless us with anger

At injustice, oppression, and exploitation of God's creations
So that we may work for justice, freedom, and peace.

May God bless us with tears
To shed for those who suffer pain, rejection, hunger, and war,
So that we may reach out our hands to comfort them and
To turn their pain into joy.

And may God bless us with just enough foolishness
To believe that we can make a difference in the world,
So that we can do what others claim cannot be done:
