

GREATEST OF THESE

Words & Music by Steve Lindsley

Bm G D A Bm G D A
I may speak with the tongues of the angels - I may give my all away

Bm G D A
I may move the mountains with my belief

Gmaj7 A2 A
But if I don't have love - If I don't have love...

Bm G D A Bm G D A
I can use my power for selfish gain - Living like I wanna live

Bm G D A
I can die a martyr and a saint

Gmaj7 A2 A
But if I don't have love - If I don't have love...

Em D/F# G
I once couldn't see

Em D/F# G A
Now I believe, I believe

Bm G D A
In faith, hope, and the greatest of these is love
Bm G D A
Faith, hope, and the greatest of these is love

Greatest is love

When the world defines you by what you do
Love will show you whose you are
All a part of God's great family
This is why we love, this is why we love
Battles rage and lines are drawn in the sand
Cause we learn to live in fear
Love comes down with the promise of something new
It's greater than the fear, love is greater than the fear

Sometimes we can't see
Lord help us believe, believe
In faith, hope
And the greatest of these is love
Faith, hope
And the greatest of these is love...
